

## **Plymouth Venture Partners named one of the Top 100 Venture Capital Firms by Entrepreneur Magazine**

**Ann Arbor Michigan, July 23, 2008** – The August issue of Entrepreneur magazine lists Plymouth Venture Partners as one of the top 100 venture capital firms in the country. The ranking is based on the number of first-time fundings to companies in the start-up and early stages of development made by VC firms and similar entities in calendar year 2007 as measured by the “Money Tree Report” from PricewaterhouseCoopers and the National Venture Capital Association, based on data from Thomson Reuters. PVP is proud to share this accomplishment with two other firms from Michigan, Ann Arbor SPARK and Arboretum Ventures.

**Plymouth Venture Partners** is a general-purpose venture capital firm financing and adding value to growth stage companies in Michigan and the Great Lakes region. PVP’s objective is to realize superior returns through the long term appreciation of investments. PVP generally invests in revenue producing companies with the potential for significant growth through a defined, catalytic event whose achievement will be financed, at least in part, by PVP. Founded in Ann Arbor in 2003, PVP has \$25 million under management and has invested in 26 companies with 9 liquidity events realized.
